House Speaker Rod Jetton appoints Rep. Bob Dixon as vice-chair of Fiscal Review & Oversight Committee

JEFFERSON CITY – House Speaker Rod Jetton, R-Marble Hill today announced that Rep. Bob Dixon, R-Springfield, will serve as vice-chair of the House Fiscal Review & Oversight Committee for the 93rd General Assembly.

“With the rules changes we are implementing there will be a much greater emphasis on the committee process and it is crucial that we have strong leadership in place,” said Speaker Jetton. “Rep. Dixon is the perfect choice to help lead this committee. He possesses the knowledge and vision to guide this committee as it acts as a watchdog to safeguard our tax dollars.”

The House Fiscal Review & Oversight Committee considers and reports upon bills and matters referred to it relating to the proper use of state funds. As vice-chair of the committee Rep. Dixon will preside over committee hearings in the absence of the chairman and will be instrumental in dealing with all legislation referred to the committee.

“The people of Missouri trust us to be good stewards of their tax dollars,” said Rep. Dixon. “I look forward to working with my colleagues on both sides of the aisle as we ensure the proper use of our revenue.”
