Dixon's Fine Arts Resolution Progresses in the Senate

*HCR 26 Voted Do Pass by the Senate Committee on Rules, Joint Resolutions,
Resolutions, & Ethics*

Jefferson City, MO — On Wednesday, May 7th, Representative Bob Dixon (R-Springfield) presented House Concurrent Resolution before the Senate Committee on Rules, Joint Rules, Resolutions and Ethics. HCR 26 has been a student-led initiative, with Logan-Rogersville High School students researching and crafting the language of the resolution. After considering the resolution, the senate committee unanimously approved HCR 26.

“I’m impressed with the hard work put into this resolution by the students,” said Rep. Dixon. “In the process of raising awareness about an importance issue, they have been engaged in the legislative process. I’m looking forward to working with them over the next few years.”

The resolution has received enthusiastic support as it moved through the House, being adopted on April 16th. The final step in the General Assembly will be approval by the full senate.
